

Rolf Graae chandelier

ROLF GRAAE RING CHANDELIER

The ROLF GRAAE RING CHANDELIER is a multi-light chandelier designed for church spaces and similar environments. It is crafted from brushed brass.

The fixture's suspension ends in an M13x1 internal thread, allowing for the attachment of a brass stem of any length. The opposite end of the stem is equipped with a mounting fixture for a ceiling hook and can be supplied with a canopy.

The stem and canopy must be ordered separately. The chandelier is fitted with a cord woven into white textile.
