

HELSINGØR CATHEDRAL

HELSINGØR CATHEDRAL, ELSINORE, DENMARK

In collaboration with conservators from the National Museum of Denmark, Okholm Lighting has renovated and restored the chandeliers, baptismal font, altar candlesticks, and other church artifacts in Helsingør Cathedral. The work has brought the lighting and other church items back to their original appearance, enhancing the experience of this beautiful church interior.

This includes:

- Chandeliers
- Baptismal font
- Altar candlesticks
- Other church artifacts

Remark: Client: Helsingør Cathedral. In consultation with conservators from the National Museum of Denmark.
