

## DYBBØL 120 PENDANT

### DYBBØL 120 PENDANT

With its minimalist design, the Dybbøl 120 pendant is suitable for various applications and particularly well-suited for repetitive installations.

The small shade ensures protection against direct glare, though this depends on the mounting height.

The many variations of the Dybbøl 120 pendant offer extensive versatility, allowing for adaptation to a wide range of interiors and architectural settings.

Dybbøl is also available as a spotlight for wall and ceiling mounting, as well as in rod-mounted and ring fixture versions.

**Material & finish:** Polished, lacquered brass, matt, white lacquered (RAL 9010), copper or anthracite grey

**Dimension:** Ø 12cm, H 18cm

**Light sources:** E27, Max 60 W, 230V

**Lysteknik:** The pendant emits a downward-directed light.

Depending on the mounting height, the small shade helps prevent glare discomfort from the light source.

**Safety classifications:** II.

**Ingress protection:** IP20

**Approval:** CE-marking

**Remark:** The DYBBØL pendant is also available in a smaller version upon request.

**Design:** AndersenLysdesign

**Latest update:** 17/03-2025
