SCHELENBORG WALL, TOP-MOUNTED

The SCHELENBORG WALL is a top-mounted outdoor wall lamp with a classic design by ERIK Architects, installed on a black-painted wall bracket above entrances.

It provides excellent illumination through the clear glass, lighting up the entire entrance area. A key advantage is that it illuminates both arriving guests and those welcoming them.

Product: SCHELENBORG WALL, TOP-MOUNTED
Material & finish: Lantern housing: Brushed and pre-aged brass. Wall bracket: Black lacquered metal.
Dimension: H: 56 cm W: 56 cm
Light sources: E27 metal socket, 230V
Lighting technology: The wall lamp is top-mounted on a wall bracket that ensures distance from the wall. The clear glass in the lantern housing provides 360° light distribution, effectively illuminating the entrance area.
Suspension: Wall bracket: Black lacquered metal.
Safety classifications: I
Ingress protection: IP20
Approval: CE
Notes: SCHELENBORG WALL is available in two other versions: one with a bottom-mounted wall arm and another for direct wall mounting.
Design: ERIK arkitekter
