okholmlighting
BY CARL HANSEN & SØN

The HK20 Bubi Lamp was designed by Henning Koppel in 1972.
Its sculptural, drop-like form clearly reflects Koppel’s signature design language, consisting of an opal acrylic shade paired with a chrome-plated or brass-plated top and socket.

The HK20 Bubi Lamp provides glare-free light, ideal for illuminating smaller areas.
It can be suspended individually or in clustered arrangements — or placed directly on cabinetry.
