

BS CHANDELIER

BS CHANDELIER

BS CHANDELIER – an elegant and decorative chandelier that creates an atmospheric lighting experience. It is perfect for churches, foyers, reception areas, and similar spaces. With its classic and simple design, it blends harmoniously into both modern and traditional architectural environments.

Produkt: BS CHANDELIER

Material & finish: Polished and lacquered brass.

Dimension: ø95 cm.

Light sources: 12 candle bulbs - clear, 250 V. Socket/holder: E14. Wattage: Max. 60 W.

Lighting technology: The chandelier is elegant and emits an unshielded light through its 12 light points. The church candles help emphasize the bouquet-like light silhouette.

Suspension: Pipe in polished and lacquered brass.

Safety classifications: II.

Ingress protection: IP20.

Approval: CE-marking.

Notes: Customised solutions available upon request.

Design: Birch & Svenning Architects
