**STAR CEILING LUMINAIRE**

The STAR CEILING luminaire is minimalist and slender, making it easy to integrate into the ceiling. When switched on, the "star distributor" creates a highly decorative and striking lighting effect.

Particularly suitable for foyers and other areas where a more festive atmosphere is desired. It can be used individually or in repetitive installations, creating a "luminous starry sky."

**Product:** STAR CEILING LUMINAIRE
**Material & finish:** White lacquered metal sheet, 2 triangles in glass.
**Light sources:** Max. 20 W, 12 V halogen lamp. Socket/holder: G4.
**Lighting technology:** The fixture is equipped with a glass front consisting of two triangles. The reflection of the halogen light source in the glass enhances the decorative star effect.
**Suspension:** Mounting on a PL-junction box
**Safety classifications:** III.
**Ingress protection:** IP20.
**Approval:** CE-marking.
**Design:** Hans Grønlund

**Latest update:** 17/03-2025
