

CHR. 4 MAXI/MINI POST TOP

CHR. 4 MAXI/MINI POST TOP

The CHR. 4 is solid and simple in its construction – a timeless design. Designed by [Christian Hvidt](#).

The spherical section is both elegant and organic, while also protecting the lamp against harsh weather and vandalism. The two sizes and the wall-mounted version share the same design language and all three provide perfect, glare-free illumination.

You can view the [CHR. 4 wall lamp](#).

The CHR. 4 post top is available in two sizes, making it highly versatile for use in smaller streets and pathways, as well as entrances and parking areas for corporate buildings, hotels, parks, and cemeteries. The downward-directed light is properly shielded from the night sky, ensuring a beautiful and glare-free illumination of the terrain.

The fixture is robust, and thanks to its polycarbonate diffuser, it is well-protected against vandalism.

Product: CHR. 4 MAXI/MINI POST TOP

Material & finish: Upper shade in lacquered aluminium, grey (RAL 7042). Lower shade in impact-resistant polycarbonate, socket in cast aluminium. Blend: Opal acryl

Dimension: ø62 cm (maxi) / ø42 cm (mini). Height: Shade 47.5 cm (maxi) / 36 cm (mini).

Light sources: Max 100W, 230V, Socket/holder: E27. Is also available with Philips Fortimo LED

Lighting technology: The fixture emits a radially symmetric downward-directed light and is 100% shielded from uplight. The downward light is glare-free, as the light source is enclosed by an opalized acrylic ring.

Suspension: Mounting: ø60 mm (maxi) / ø42 mm (mini) standard pole

Safety classifications: II.

Ingress protection: IP23

Approval: CE-marking

Notes: Installation: 3 x 4 kv. terminal block for cable installation

Design: Christian Hvidt
